

How do I determine my frame Series?
By identifying which corner sliders are on your frameset, you can confirm which Series frame you have. Use the pictures below to help you determine.

Series 2

Black Release Buttons

Series 3

Red Easy-Release Levers

How do I determine my frame type?
Steel or Aluminum?

1. We anodize our aluminum frames, so an aluminum frame will be silver in appearance.
2. Our steel frames are powder coated in a shade of white or off-white.
