

**How do I determine my frame Series?**  
By identifying which corner sliders are on your frameset, you can confirm which Series frame you have. Use the pictures below to help you determine.

**Series 2**

**Black Release Buttons**

**Series 3**

**Red Easy-Release Levers**

**How do I determine my frame type?**  
**Steel or Aluminum?**

1. We anodize our aluminum frames, so an aluminum frame will be silver in appearance.
2. Our steel frames are powder coated in a shade of white or off-white.

**8x8**
