## Why Choose Apex?

- Lightweight
- Rugged
- Reliable
- Water Resistant
- Fire Retardant
- UV Resistant
- Affordable
- Easy to carry & setup
- 60 Second Setup
- Aluminum Frames or Steel Frames
- 8 Vibrant Top Colors
- 2 Year Ltd. Warranty

The Apex Series canopies have heavy duty polyester tops. Each colorful top is water resistant, fire retardant, and treated to resist UV-rays.

Each canopy kit comes with either an aluminum frame or heavy duty steel frame. The aluminum frames are lightweight and will provide years of corrosion free life. Our powder coated, heavy duty steel frames will provide unsurpassed strength and reliability.

Sets up with 2 people in less than 60 seconds!  
One piece assembly, no parts to lose  
Lightweight yet rugged, can easily be transported  
10'x10' Folds to less than 9" wide x 62" tall
